My review S. Sangari

As a patient of Dr Dagarwal for last 5 month, I would like to recommend him strongly. From first visit he demonstrated his professional knowledge, friendly relation with patient, and above all listening attentively to his patient. In addition, he has a team whose members are very dedicated to access...

First Time Visit!!

My dad has been appointment with him for some sleep issue. Usually it's my older sister who would take him, but this time I was the one who brought him, so obviously I had no idea about this doctor's personality and patients' care like during a visit. Well, my initial impression interacting with him...

Worst Doctor!

This doctor really needs to learn how to speak to people. He must quit his practice and learn how to obtain good manners. My mother is his patient and every time she goes to see him, there is no eye contact. He constantly looks in his laptop and paperwork and misbehaves. he suggested to wear mask...

Fast to bill - no show on the reporting

dayerral, we did the sleep study and had a followup meeting to discuss the results. However, it has been months and calls every week to his desk staff to get him to finish the report so the rest of my health team can plan my options. I had to request my records and get another doctor to work with...

I appreciate Dr. Agarwal's expertise

I have been so impressed by Dr. Agarwal & his care over the past year. After my husband told me my "purring kitten" snoring had increased to "lion roaring," I knew I had to get checked for sleep apnea. Meanwhile, my husband contracted Covid19, was in the hospital 13 days & on home oxygen for 3...

Caring, Personable and Knowledgeable Doctor

In the general my visits with Dr. Agarwal were very personable and comfortable which I like very much. First, the staff were very nice, very patient, and very helpful. They gave me clear instructions and explained to me carefully what I need to do before the visit, like reminders, and told me how...

On a Sunday, his assistant Revi called to setup an appointment for next day and I told him that I wouldn't be able to bring my dad myself since it is in a short notice and my dad doesn't speak english so I would send a friend for translating. I told Revi that we don't have his medical records and...
